TRAFFIC ENGINEERING INDEX — VOLUME XIII

October 1942 - September 1943

Compiled by William B. Powell, Member I.T.E., Consulting Traffic Engineer

ARTICLES

Page

ADMINISTRATION

Control of Traffic Signs in Pennsylvania 195
Wartime Personnel Problems of Traffic Engineering 3

CONTROL DEVICES AND METHODS

Aspirin for Signing and Signalling Headaches 136
Effectiveness of Reflectorized Traffic Signs 51
Emergency Traffic Control Plan for Industrial Plants 210
Glass Beaded Paint for Blackout Traffic Control 97
O. D. T. Policies on Wartime Traffic Control 163
Policing and Control of Military Transport and Evacuation Routes 102
Post War Plans for Traffic Control 269
Rehabilitating Signs 111
Selection and Marking of Military Transport and Evacuation Routes 108
Traffic Actuated Signal System in San Diego 202
Traffic Signal Controllers 74
Traffic Signal Illumination 169
Traffic Signals in Wartime 72

PARKING

Don't By-pass! (Editorial) 189
Traffic Control and Parking Plans for Industrial Plants 190
Traffic Movement and Parking at War Plants 89

RATIONING

Expert Looks at Tires 49
Mileage Rationing 42
Rubber and Transportation Outlook 214

SAFETY

College Level Safety Training 98
Railroad Crossing Protection 231
Sessions at 14th Annual New York Safety Convention 156

STREETS AND HIGHWAYS

Access Roads to Industrial Plants 71
City's Place in Post War Highway Planning 235
Effects of War on State Highway Programs 279
Ford Bomber Plant Accessways 243
Motor Vehicle Traffic Trends 19
Motorways for Victory Era (Editorial) 81
Selection of Military Transport and Evacuation Routes 62

SURVEYS AND STUDIES

Grant of Fund for War Transportation Study 42

TRAFFIC ENGINEERING — Page

Help Build the Best 209
Highway Traffic Engineering Applied to Transportation Corps Services of Supply 166
In One Year (Editorial) 61
Obligations (Editorial) 101
On the Alert (Editorial) 1
On Your Mark (Editorial) 229
Post War Traffic Work Conference 260
Taking Stock (Editorial) 165
There's Still Some Non-defense Traffic 170
Traffic Activities in Minnesota and Massachusetts 181
Traffic Engineering in War and Peace (Editorial) 253
Transportation Conservation and the Traffic Engineer 12
War on Wartime Traffic 167
Wartime Traffic Program 94
What Is Traffic Engineering? (Editorial) 41
Widening Traffic Engineering Horizons Resulting from War 82

TRANSPORTATION

City Government's Transportation Responsibility 67
Columbus, Ohio, Seminar on Maintaining Automobile Transportation 255
City Transportation Outlook 64
Common Sense (Editorial) 121
Community Transportation Collective Responsibility 146
Help Wanted 172
Monuments or Memorials (Editorial) 145
Review and Reappraisal of War Transport Problems 4
Staggered Hours 193
Winning Battle of Transportation 200

TRANSPORTATION, EMPLOYEES

Army Employee Transportation Program 131
Clarifying Employee Transportation Conservation 220
Employee Transportation Outlook for 1943 122
Group Riding Programs 175
Housing, Transportation and Rationing Office, Curtiss-Wright 237
How to Organize and Operate a Rides Bureau 44
Inventory of Man Power in Industry 133
Promoting Car Sharing 46
Regional Wartime Conference on Employee Transportation 122
What of Group Driver Liability? 48
